New WSP Website to Launch on May 1, 2017

Watch for an email on May 1st with instructions on how to login to the new WSP website!

Our goal with this new website is to provide our visitors an easier way to learn about WSP and also allow users to browse information based on their own choice. The new website is interactive and gives better access to About Us, Board Information, Latest Pathology News, Membership, Education and Events, and Contact web pages.

Among the new features, the site contains a form to submit a news story for feature on the WSP news pages, ability to search for members in the member directory, and access previous E-newsletter's like this one.

All members will be emailed a link to update their password information on May 1, 2017. If you have any questions, please contact our office. We appreciate your patience as we launch the new site!
